THE 50-STATE TIRE IS HERE

**Built for a chilly drizzle on Third Avenue,
or Route 66 in August with 300 miles to go:
the new All-Traction tire by Goodyear.**

This is the tire that Goodyear built to help the new breed of bikes cope with American distances, speeds and climate extremes.

Check the heavy tread blocks. Look closely at the tiny sipes. Reasons why All-Traction gives you sure stops plus nimble maneuverability in clogged traffic.

The slant of the grooves spins drizzle out of your tread, to dry the road under you.

The rubber is the toughest ever used in a Goodyear cycle tire . . . tough Tufsyn rubber in a real "grip" compound.

All-Traction has the muscle to take highway seams and potholes. And enough agility to make you feel sorry for all the people snarled in that tie-up, back there.

This is your tire. Not just because it fits your machine.

This is the first one built to fit your driving.

See your motorcycle dealer and ask him to contact one of the following Goodyear motorcycle tire distributors.

LOUDON

Gary Nixon Wins 100 Mile Road Race

By Boyd Reynolds

In 1966 Buddy Elmore set a new record and won the 100 Mile Road Race in 1 hour, 26 minutes, 01 seconds. This year on June 18, Gary Nixon of Baltimore, Maryland won the 100 Mile National Championship Road Race on a Triumph in 1 hour, 29 minutes, 39 seconds; on a blustery rain swept track!

If you take time to do the necessary mathematics, you will see that on the wet macadam, Gary was only 2 minutes and 54 seconds away from the previous record on the 1.6 mile twisting track at Loudon, New Hampshire.

It all happened on a rainy Sunday afternoon that went from drizzle to a torrential downpour. Two fellows played a game which enticed the spirit of eleven thousand fans who lined the fence. All types of rain suited enthusiasts cheered as Dick Hammer of Lakewood, California led Gary Nixon, Cal Rayborn, Mert Lawwill and Chris Draayer off into the first turn and around the sand lined asphalt circuit. Gary was soon biting at his heels to take over the lead which he did, only to give it up again.

And so they went lap after lap, wheel to wheel, fender to fender around the circuit.

Misfortune struck again as it did in the Florida bash when Dick Hammer fell

coming off the front straight. Again Dick went down and Gary went on to win. Following with a smooth riding style Harley-Davidson mounted Chris Draayer took second ahead of the recovered Hammer.

The champion's time figures out to 67.212 mph, a very quick pace under the existing track conditions. The motorcycle was the same one on which he won the 200 mile event at Daytona. The 1966 winner, Buddy Elmore, finished in seventh place and the 1965 winner, Ralph White was in twenty-fifth place.

Prior to the main event, a large field of Amateur contenders lined up for a 60 mile trip around the circuit. George Cunha of Johnson, Rhode Island came off the line in the lead and he was there at the finish line.

A few times he lost the lead to Walt Fulton, Jr., the Daytona Amateur winner who was out to take another title on his Harley-Davidson. Fulton worked hard but in the yellow flag lap he spilled giving Cunha his win.

After a quick recovery, Fulton managed to get into the second place money ahead of Harley-Davidson mounted Ron Widman. The winner's time was 58 minutes 8 seconds for an average of 62.824 mph.

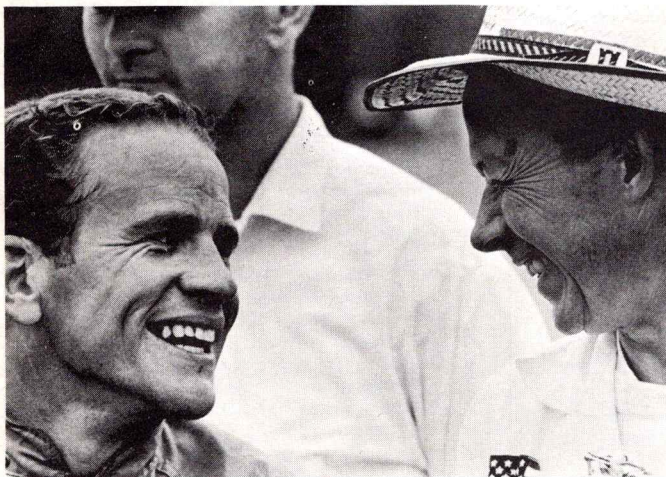

A dry completion of the 250 Amateur-Expert contest at Loudon seems not to

be in the cards as for the second year in a row the heavens opened up about mid-race with a downpour. This year the effect was a little more devastating. The rains came so suddenly and hard that the race was stopped quickly at 28 laps.

In the turmoil, four men held in the winner's circle until tabulation of the score cards and roll checks determined the first to cross the line in the blinding torrent. The accuracy of Pete Zepka's scoring system shone through placing Don Twigg of Hagerstown, Maryland in first on a Yamaha. Yvon Duhamel of Montreal, who led for most of the 28 laps, was second on another Yamaha with Cal Rayborn on a Harley-Davidson from San Diego, California in third. Fourth man across was Ralph White on a Kawasaki.

Twenty-five of the forty-four starters were still in action at the completion of the short run. They should have gone 47 laps around the 1.6 mile track.

Preceding this event, the Novice riders completed a 60 mile contest with 250cc motors. Early leader Ronald Muir from Carbondale, Illinois was overpowered by the superb skill of Leon Cromer on a Ducati. The Springfield, Massachusetts rider used every inch of the track, and some that wasn't track to build

a strong lead over Yamaha mounted Elvis Nicholson of Dexter, Michigan. Third place went to Bultaco rider Larry Koup of Oberlin Steelton, Pennsylvania. The winner's time, which was a new record was 55.47 minutes for an average speed of 65.38 mph. Forty-eight riders started the 60 miles and 28 completed the contest.

The inclement weather dispersed people to their motel and camping areas on Saturday evening and there was less congestion at the summer amusement areas. Public Safety Commissioner John Rhoades was quite pleased with the conduct of most of the people in attendance for the two days of racing.

Missing this year was the field meet, Queen and club contests that made Laconia the biggest sporting event in New England in years past. As old friends met on the street or at the track the conversation went back to those days of the "Gypsy Tour". The great new Loudon facility is building a new image for the area. The motorcycle spectator is either a race fan or a young person attending because this was the place to go. This transition is slower in motorcycle racing than in the sports car racing. Regardless of this fact, ten to eleven thousand people come into the Laconia area for the June 17-18 weekend, making this the largest single spectator sporting event in the Northeast.

Dirt Track Championships

Dick Mann Sets New 12 Mile Record

Bart Markel Takes Third 15 Mile Title

Fans got a full treatment of excellent races at the AMA's 12 Mile National Championship for, like all nationals, the riders rode exceptionally hard in the heats to secure a berth in the main event.

The hard, fast track was apparently made to order for Dick Mann (BSA), Schenectady, N.Y., who set a new record for the distance of 11 minutes, 1.34 seconds.

Mann jumped into the lead on the first lap of the 24-lap struggle and was able to hold off Darrel Dovel (H-D), Chicago, Ill., for three-quarters of the race.

Then, in lap 19, Mann took time "to adjust my helmet visor" and so doing found himself in second as Dovel slipped under on the fourth turn.

Cranking it back on Mann reclaimed the lead on lap 21.

Third place was a seesaw battle with Fred Nix (H-D), Lawton, Okla., finally gaining the decision over Mert Lawwill (H-D), San Francisco, Calif., after the two swapped positions several times.

Bart Markel (H-D), Flint, Mich., who was the pre-race favorite due to his record of winning on the Reading track and setting the fastest time trial of 27.23 seconds finished eighth.

The amateur final went to Ed Varnes (BSA), Cochranville, Pa., who took the lead from George Crockett (TRI), Ja-

maica, N.Y., on the third lap and won handily.

The inaugural running of the 15-Mile National at the fabulous Louisville Downs, June 11, was a smashing success for the race fans and the winning Bart Markel.

Only an abundance of superlatives would describe the smooth running two-day AMA program. The local news media were on hand for interviews and filming during Saturday practice.

The soft loose surface and the great width of the track found riders improvising a variety of grooves. Additional experimentation was done with tuning and frames to find the right combination.

On Sunday, 10,000 race fans swelled the luxurious Louisville Downs' stands to capacity. After 115 time trials, Markel's fantastic 25.86 time gave a forecast of things to come.

With a great churning of crushed calcium, Fred Nix led into the backstretch and built up a surprising margin over Draayer, Mann, Reiman, Keen and Markel, in that order. Keen dropped out in lap two. Mann pressed Draayer until lap three, then suddenly, with a sour-sounding engine, dropped back.

Markel powered up to second in lap five and until lap 11 Nix stalemated his advances to a six-length difference.

To the rear, Draayer was in an unchallenged third and Longabaugh was seeing fourth place with Mann.

On lap 11, Nix lost his skid shoe on the backstretch, pulling him almost off the cycle. Nix's chest was on the saddle, feet over his head, front wheel wobbling. Unperturbed, Nix righted himself, tucked in and set out after Markel who had nipped by.

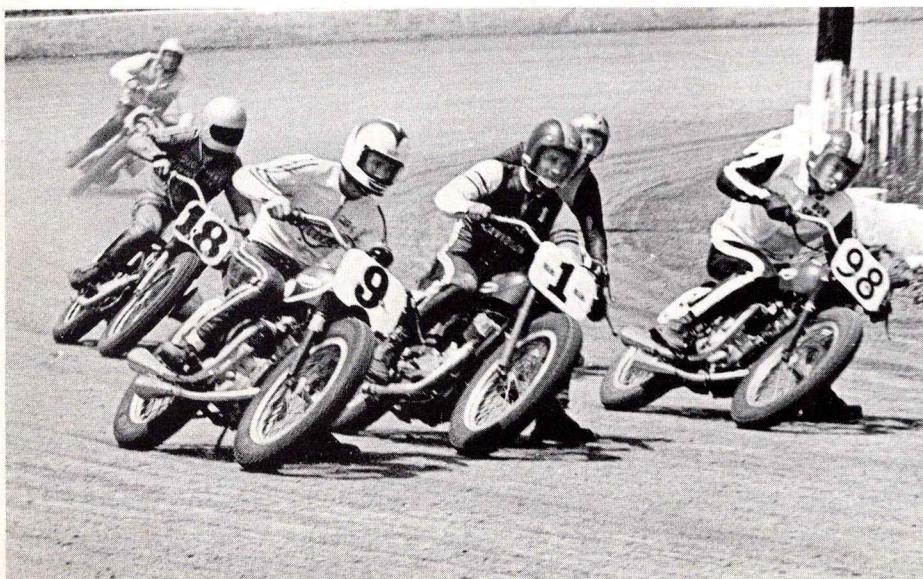

Draayer passed a shoeless Nix on lap 14, and set his sights on Markel.

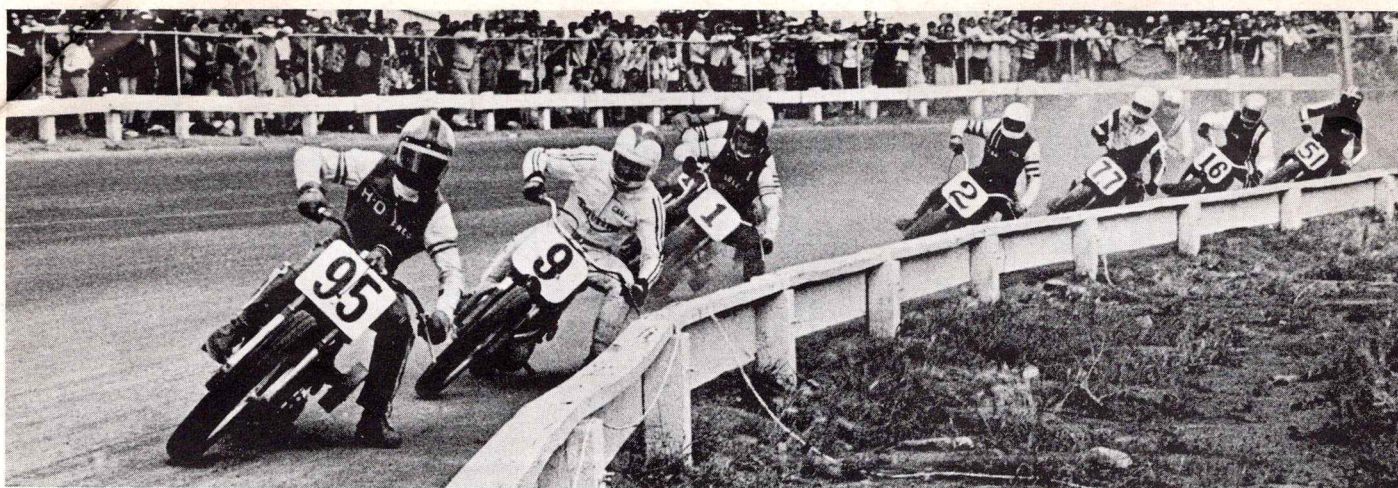

Markel was riding a few feet off the crashwall, full bore, then halfway through the turn, he would execute another left turn and dive to the inside, bouncing across a dozen diagonal grooves.

The mesmerized Markel fans murmured - Draayer was closing the gap!! One lap to go and Draayer pulled his front wheel up to Markel's rear wheel, but Bart dialed on a couple more "horses" and led by four lengths at the finish!

Earl Lout, Harley-Davidson, Hayward, California, opened a quick lead in the 14-lap amateur final, riding full bore near the crashwall. Stealthily, Bill Goff, Flint,

Fred Nix Annexes 10 Mile Crown

Fred Nix of Milwaukee, Wis., riding a Harley-Davidson, won the 10 mile national championship at Columbus, Ohio with a time of 9 minutes, 13.30 seconds.

Only once in the second lap was Nix seriously challenged. Nixon who was close to Nix during the first lap managed to slip by going into the backstretch. This did not last long as Nix poured on the coals took over the lead and stayed there to the checkered flag.

Most exciting were the closely contested heat races where winners were decided in the homestretch run.

The track record of 26.76 seconds which was set by Carroll Resweber in 1961 was broken twice—first by Neil Keen with 26.67 and then George Roeder turned a new time of 26.63.

Expert heat winners were Roeder, Keen and Nix. Marlyn Klunder of Minneapolis won the consolation race.

Ed Varnes of Cochranville, Pa., riding a BSA, won the amateur final.

Riding Indian file Fred Nix leads the field in the 10 mile national. Except for part of the second lap Nix led from wire to wire.

Ed Varnes got out front and held a steady course for the amateur win.

Fred Nix is presented his trophy by AMA President, William Kennedy.

Nixon grabs the lead in the south turn of the second lap but Nix settles the argument in the north turn and was never heading to the checkered flag.

Riders Profiles

No. 11R James E. McMurren

James McMurren who lists Nestor, Calif., as home was born in LaGrande, Ore. 27 years ago.

He started riding in 1954 but in 1957 switched from sportsman to professional competition because, "it just looked like fun."

James, who is single, works as a motorcycle mechanic.

At the present time his main hobby is motorcycle racing of which short track is the favorite.

McMurren, like many other riders, hopes to own a motorcycle shop.

No. 20M Jack H. McNairy

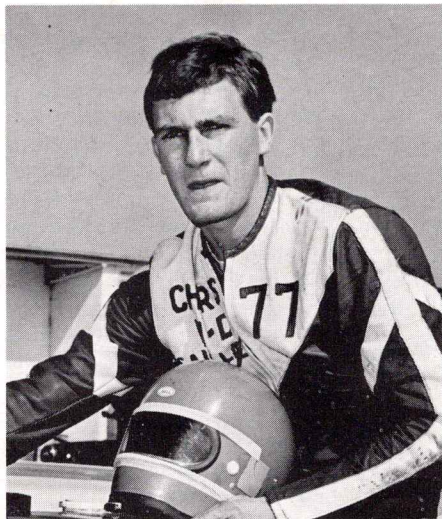

Jack McNairy, the college student from Dallas, Texas, started his riding in 1960. The first four years he devoted his energy to such sportsman events as road racing and scrambles. In 1964 Jack said, "he turned to competition through a friend of his."

Jack may be seen riding in all types of events but his favorite is the mile.

The 21-year-old rider was born in Mineral Wells, Texas and is single. McNairy's future plans include owning his own cycle shop.

No. 77 Chris G. Draayer

Chris Draayer, a 21-year-old Salt Lake City, Utah native started riding in 1960. For three years he rode sportsman events throughout Utah and in 1963 turned professional.

Chris says his present trade is motorcycle racing and this is not unusual as his father is the Harley-Davidson dealer in Salt Lake.

In 1966 Draayer made his presence known by placing in enough national events to finish fifth in the point standing. This year he is in eighth place after five events.

Sport minded Chris likes to ski in the winter and race in the summer and he has a special liking for miles and road races.

After active competition, he plans to work in his father's present business.

No. 81 Theodore R. Heil

Theodore Heil, best known as Ted, comes from Dayton, Ohio.

Ted's career began in 1959 when he started riding sportsman, but a year later in 1960 he switched to professional competition. As a sportsman he gained experience in scrambles, road racing and short track.

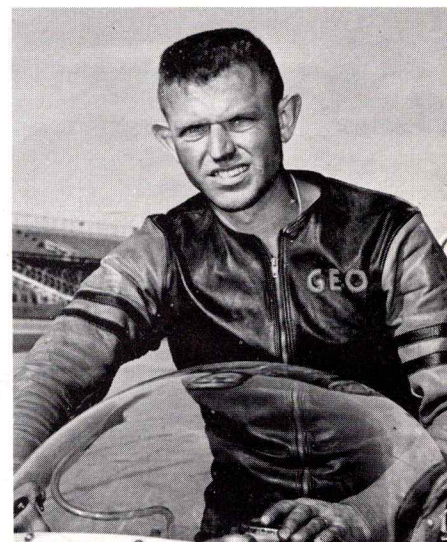

This 23-year-old bachelor was born in Columbus, Ohio, works as a motorcycle salesman and is a member of the Dayton Motorcycle Club.

Heil feels the event he likes best is road racing and said he turned to competition because, "I've been around motorcycles all my life so it came naturally and I like the sport."

Even though Ted has not won a major championship he gained points in the national point standing the past three years.

Ted's future plans are to become a motorcycle dealer.

No. 94 George A. Roeder

George Roeder the Monroeville, Ohio farmer took up motorcycle riding in 1950 and spent four years competing in sportsman events.

In 1954, 30-year-old Roeder changed to professional racing following in the wheel tracks of his brother Charles who held number 86F and raced from 1950 to 1954.

When farm activities permit and he is not racing George likes to hunt.

Even though George likes to ride the miles where he won two national championships the 50 mile and 20 mile in 1963, he also holds four national titles in half miles - the five mile in 1963, the seven and 15 mile in 1964, and the 10 mile in 1965, as well as the Ohio state flat track championship.

Since 1957 Roeder has been in the national champion point standings each year and in 1963 came within one point of winning the coveted number one plate.

George is married and a member of the Norwalk Cardinal Motorcycle Club.

August Nationals

Two changes have taken place in the August Nationals as far as location is concerned. The FORMULA A HILLCLIMB NATIONAL CHAMPIONSHIP, which was formerly held at Mt. Garfield in Michigan is scheduled AUGUST 6th at Jefferson, Pa., and will be sponsored by the White Rose Motorcycle Club of Spring Grove, Pa. Last year's winners, Glen Kyle of Goshen, Ind., and Beese Wendt of York, Pa., will undoubtedly be the favorites. Both climbers in 1966 successfully defended the titles they won in 1965. Wendt as 45 cubic inch amateur champion and Kyle as 74 cubic inch professional champion, won their event on the initial run. After last year's successful season, Wendt has been moved into the professional class and will now compete against Kyle, thus leaving the 45 championship open. At present Glen Kyle is the dominant rider in the 74 class, as he has held the title three out of the past four years.

The second change came within the past months when the 110 MILE NATIONAL CHAMPIONSHIP ROAD RACE was moved from Des Moines, Iowa to the Indianapolis Raceway Park, Indianapolis, Ind. The date is still AUGUST 6th and is sponsored by Floyd Cly-

mer, as in past years. All those who attended last year's event will be looking forward to another all-out battle such as Gary Nixon and Cal Rayborn put on. All the events, including the heats, were closely contested but it was the National that kept everyone on the edge of their seats as Nixon and Rayborn, side by side, took every turn and straightaway.

On AUGUST 13th the 20-LAP NATIONAL CHAMPIONSHIP TT will once again be held at the Peoria Motorcycle Club Grounds. This annual event was won last year by Eddie Mulder from California who took over the TT Championships as if they were set up especially for him. Mulder clearly dominated last year's field in that he was fast everything - time trials, heat race and led the National from start to finish. Other TT aces who will be set to change this pattern are former winners Bart Markel and Dick Mann. Mann has taken two championships and Markel has won five championships at the Peoria course.

The final AUGUST event on the 18th is the FORMULA C SHORT TRACK NATIONAL CHAMPIONSHIP scheduled for the Santa Fe Speedway. Markel, the defending champion, will have to meet the challenge of former winner Roger Reiman and former two-time winner, Gary Nixon, as well as the favorite of the track, Fred Nix.

After this set of four August Nationals the championship trail moves to the west coast for the month of September.

A Wet, Dark Short Track

Russ Whittinghill reports that the three star short track, June 3rd at Ridgetop, Tenn., was a night one hates to remember - two inches of rain, then a transformer burned out leaving the place in darkness.

Overcoming these obstacles, Neil Keen (BUL), Azusa, Calif., made it his night by winning the trophy dash and final event. Following Keen in order were Jim McMurren (H-D), Nester, Calif.; Walt Fulton III (H-D), Orange, Calif.; and Ron Melton (H-D), Avondale, Ga.

Consolation win went to Don Beasley (DUC), Evansville, Ind.

Indiana Opener

An entry of 64 riders entertained 3500 enthusiastic race fans at Southwestern Indiana's dirt track season opener.

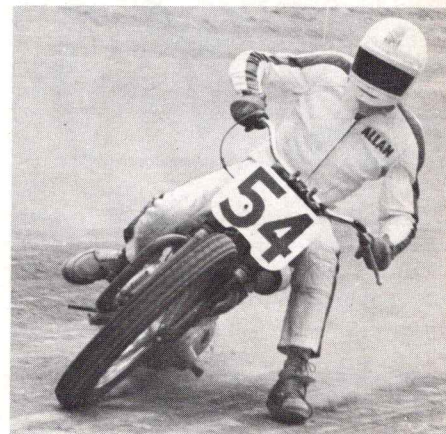

Bob Hinkle of Brookville, Ohio (TRI) set the pace by setting a new lap record of 29.22 seconds. The old time was 29.26 held by Allen Smith of Springfield, Ill.

In the dash, both Hinkle and Smith, were turned back by winner Jim McMurren (H-D), Nestor, Calif.

Adding to the variety Sid Carlson (BSA), Seattle, Wash., shut out dash winner McMurren to win one heat race and Ted Heil (H-D), Dayton, Ohio won the other heat.

In the expert final the struggle continued with Smith taking the checkers first followed by McMurren, Heil and Carlson.

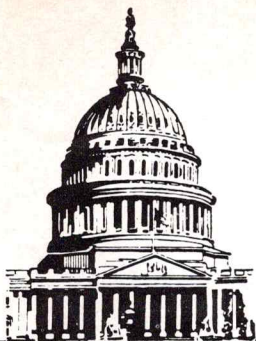

Amateur honors went to Doug Burton (TRI), Bowling Green, Ky., after overcoming a sour mag. Runners-up were David Ingram (H-D), Hammond, Ind., and Tom Riley (H-D), Columbus, Ohio.

OUT OF COMMITTEE

Comments from Paul McCrillis
Director Governmental Relations

In their 1967 legislative sessions at least twenty-two states have already passed mandatory helmet legislation. Three states passed similar laws in 1966 or earlier. Since several states where the legislatures are still in session are giving consideration to helmet legislation it can be expected that considerably more than half of all states will have helmet laws by the end of 1967.

The Motorcycle, Scooter and Allied Trades Association has adopted and endorsed specifications for protective headgear. These are set forth in a booklet entitled Specifications For Motorcycle Safety Helmets. At least nine states will be using these or very similar specifications as a basis for helmet approval.

It is significant that the Federal Highway Safety Program Standards both in their draft form as published on February 16, 1967 and in their final form as issued on June 27, 1967 contained a requirement that the states enact helmet legislation in order for their safety programs to be approved. Certainly this action by the Federal government precipitated much of the helmet legislation.

7 Mile National Championship Moved To San Jose

The 7-Mile National Championship Dirt Track Race has been moved to San Jose, Calif. It will now be held on Sunday, Sept. 3 and is promoted by Barkhimer and Murrell, 50 Mt. Herman Road, Santa Cruz, Calif.

The move was brought about by a recent court injunction which prohibited race contests of noisy vehicles at the original location Air Capitol Raceway Park, Wichita, Kansas.

Astrodome Awarded 1968 National Championship Race

The American Motorcycle Association has granted a National Championship sanction to Pace Management Corporation through its President, Sidney L. Shlenker, to hold a National Championship indoor track race in the Houston, Texas Astrodome on February 10, 1968.

The general procedure followed by the AMA in granting National Championship sanctions is to place all applications before the Competition Committee one time each year during the November annual meeting. It was necessary for this committee to vote by mail ballot on this race due to the long lead time necessary to lease the Astrodome.

SCRAMBLES

James Van Arman placed third in expert of the 250cc class. Photos by Abram Schoenfeld

Philip Palazzo (36) took second in his class. James Hughes (4) worked his way up to third at the finish. William Groendyke (25) and Buzz Boyd (430) followed in order.

The first Scrambles of this season sponsored by the Crotona MC at Andres Farm in East Fishkill, N.Y., proved to be a tough and thrilling one.

After a week and a half of unseasonable cold, windy and rainy weather the sun broke through to brighten the spirits and enthusiasm of the contestants (142 of them) and the 2500 spectators.

The 200cc class amateur event was a tough one going to George Van Dressiche, Copiaque, N.Y. after a neck and neck struggle with Fred Moers, Totawa, N.J.

The expert event for 200cc was also rough because of the dog-fight for first place between Jim Durso, Bacon, N.Y. and Curtis Leon, Hastings, N.Y. Leon finally had mechanical trouble and was forced to withdraw from the event leaving Jim Durso the winner.

The amateur 200 to 250cc class event was won by Jim Weinert, Middletown, N.Y.

Zeke Evans, Bacon, N.Y., was winning the 200 to 250cc class for experts until about midway through the race when mechanical trouble caused him to drop back giving the win to Donald Roane, Jr., Chappaqua, N.Y.

In Class 250cc James Van Arman, Lindenhurst, N.Y. took the decision over the amateur field.

Experts found the 250cc class another tough event beginning with a dual between Richard Nelson, Fairfield, Conn. and Paul Schwab, White Plains, N.Y. for first place until about midrace when Doug Pink, Yonkers, N.Y. slipped into the lead and retained it until the end.

Schwab was second and Nelson was third.

In the 500cc class John Hale of Wamtagh, N.Y. won the amateur event and Terry Barber, Fairfield, Conn., won the expert event. Jim Fennell, Riverside, Conn., was second behind Barber until a spill in the last half of the last lap eliminated him giving the runner-up spot to Paul LeMire, Yonkers, N.Y.

The amateur event in class 650cc was won by Chic Gibbons, New York, N.Y. over Dennis Lublin, Great Neck, N.Y. and Barry Higgins, Bloomingdale, N.J., riding with masterful skill won the 650cc class expert event. "It was a thrilling end to a thrilling day's races," expressed the enthusiasts as they left.

Mobile Living In Miniature

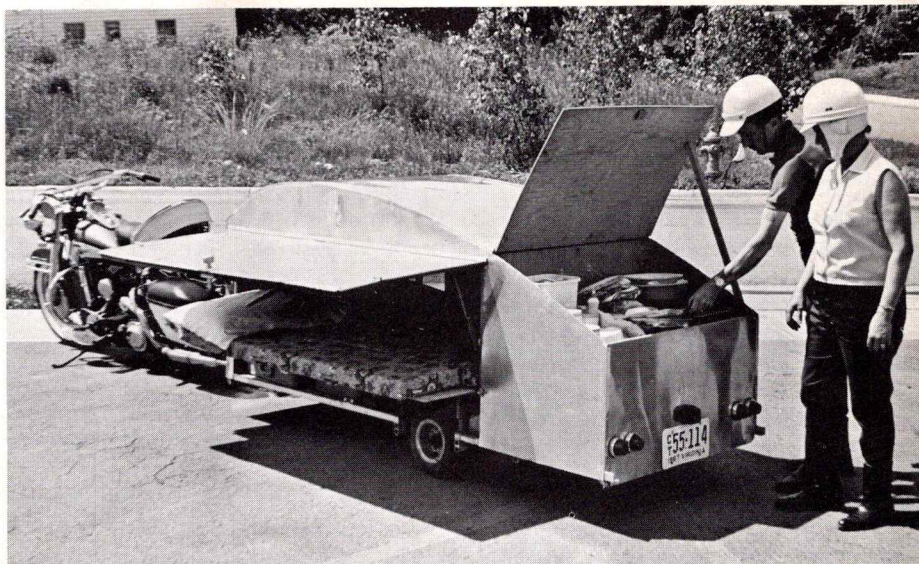

Jim Fennall easily takes the jump in the 500cc class.

George Van Driessche sails with ease over the jump in the 200cc class.

Doug Pink 250cc expert takes over the lead and wins his class.

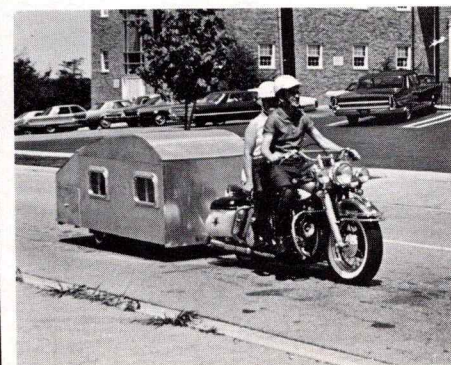

Lyle and Edith Wilkins of Winchester, Virginia are on their way to the fair pulling a lightweight trailer specially designed by Mr. Wilkins.

"It's the only way to travel," said Mr. Lyle Wilkins as he described his rather unique miniature trailer which he designed and built of plywood and aluminum. The 8 ft. long, 38" high 38" wide 400 lb. (fully loaded) trailer was hitched behind Lyle and Edith Wilkins 1959 Harley as they pulled onto the parking lot at AMA headquarters during their visit with us on the way to Expo '67.

Mr. and Mrs. Wilkins, both members of AMA, stopped at the office to renew their membership. Mr. Wilkins is a 20 year member, and "to show you our trailer", as Mrs. Wilkins put it.

It was our pleasure as we listened to Mr. Wilkins describe how just three weeks prior he had started with a set of go-cart wheels and tires, some steel tubing, some sheets of aluminum, bits of lumber and plywood, a lot of sweat and toil on week-ends and now they were on their way to the fair pulling as handsome a little trailer as ever came down the pike.

AMA Appointments

American Motorcycle Association Executive Director William T. Berry, Jr., announced the appointment of Kenneth S. Hollen as Manager, Purchasing and Accounting and Carol Horky Hall as Supervisor of the Club Department.

Hollen

Mrs. Hall

Mr. Hollen, a native of Chicago attended Northwestern University prior to serving in the U.S. Army from 1946 to 1967. In the service, Mr. Hollen was in personnel management and a member of a records audit team.

He is married and has three children.

Mrs. Hall is most familiar with the sport of motorcycling which will prove an asset to the clubs. She is the daughter of AMA's Competition Director Jules Horky, is an enthusiast and has ridden since she was old enough to stay on a bike.

Recently she worked for a motorcycle dealer and just last fall married Gary Hall who races under national number 66.

What's The Answer?

Dear Ama:

Where and when will the Black Hills Rally be held and what is their program?
Mr. D. L., N.Y., N.Y.

Dear Mr. D. L.

Ama

Dear Ama:

Has the 1967 Rider's Supplement come out yet?

Mr. R. P., Denver, Colo.

Dear Mr. R. P.

The 1967 Professional Riders Directory (formerly Riders Supplement) is available. This new directory lists experts and amateurs, as well as novice, the latter group never having been included before. It is also based on current 1967 licenses. The price is two dollars and fifty cents (\$2.50). Address requests to: American Motorcycle Association, P.O. Box 231,

Worthington, Ohio 43085. On ordering include number of directories wanted, correct amount and full address with zip code.

Ama

Dear Ama:

I've seen officials cross the white and yellow flags at motorcycle races. What does this mean?

Miss D. B., Louisville, Ky.

Dear Miss D. B.

When the starter at a motorcycle race holds the white and yellow flags in the form of a cross it indicates to the riders the midway point of the race.

Ama

Dear Ama:

How many motorcycle races does the AMA sanction in a year's time?

Mrs. O. P., Sacramento, Calif.

Dear Mrs. O. P.

We have checked with AMA Sanction Department and they said that during 1966 there were approximately 3,700 Sportsman sanctions issued and 300 professional or purse paying events.

12th Annual High Sierra Run

By George Hays

One of the most popular and eagerly anticipated California road runs is the Ace of Clubs' High Sierra Tour. This year's run, held on June 10th and 11th, attracted over 1,000 riders to the little town of Lone Pine, a number nearly equal to the town's population. On rare occasions, the gathering of hundreds of cyclists in a small town has resulted in riots and newspaper headlines, but in this case, the riders were the good guys, the AMA riders that you never hear about in the papers. In fact, it was obvious by the signs and posters around town that the High Sierra Run was welcomed by the townspeople. No doubt the run is good business for the town's service stations, cafes and motels.

Factors that make the run so popular with the road riders are the scenic 200 mile ride from the Los Angeles area, the friendly acceptance by the townspeople, the grass-covered, dust-free city park for camping, and nearby scenic attractions: the Alabama hills, oldest geological formation in the U.S., and the 13 mile ride to the foot of Mt. Whitney, highest peak in the continental U.S.

Although the weather on the way included fog, rain, and wind, Saturday and Sunday in Lone Pine were ideal. The sun shown brightly through the clear desert air, there was no wind, and the temperature ranged between 70° and 80°. The riders were far more fortunate, weather wise, than those who stayed at home; the Los Angeles area was shrouded with smog and fog, and had no sunshine all week-end.

By Saturday afternoon, the town was crowded with motorcyclists, and the program began at 1:30 with the parade through town. The next attraction was a display of stunt riding by the Victor McLaglen Motor Corps, followed by machine judging and trophy presentation, all held at the Lone Pine Airport. Over 50 large, beautiful trophies were awarded.

At 5:30, lines formed at the food tables back at the park, where the crowd put away 1,000 pounds of barbecued beef and 150 pounds of beans. The portions were generous, and the food was delicious.

The next attraction, a free dance with live western music, started at 8:00.

Sunday morning, the riders were up at dawn, packing up their tents and sleeping bags for the ride home in the pleasant desert sunshine.

The High Sierra Tour is second only to the Death Valley run in size and popularity. Each year it is growing; perhaps someday it will closely rival the Death Valley Run.

MOTOR MAIDS

By Leslie Pink

Welcome new members, Juanita Delaney, Carmichael, Calif., Hattie West, Muncie, Indiana, Laura Sides, Kannapolis, N. C., and Rosemary Stuart of Tuscola, Ill.

The Motor Maids paraded at Reading, Pennsylvania 12 Mile National Championship on May 28th. Fifteen girls formed the parade. The girls had breakfast before attending the races compliments of the promoters. Saturday night there was a get-together and general gabfest - which we Motor Maids just love. Mary Cutright was the winner of the Long Distance Trophy.

Grace Chronister was hostess for the Northern Ohio meet at Mansfield. 18 Motor Maids attended, plus several husbands. The road run scheduled for Sunday morning at 9:00 a.m., had to be moved up to 10:00 a.m., as the girls just could not shut up long enough to get some sleep Saturday night. Dot Smith must have sneaked a cat-nap as she was alert enough to win first place in the run with a score of 997 - 10 sec. Marge Moreland tied her 997, but the emergency check caught her for 14 seconds. Lucy Vlasek was third with 995. This was only the second run Lucy has entered - and she didn't even have a watch. Carrie Penny of Kalamazoo, Michigan was the winner of the Long Distance Trophy. Those attending were: Dot Robinson, Dot Smith, Pat Kaufman, Marge Moreland, Mary Cutright, Marilyn Alexander, Carrie Penny, Lucy Vlasek, Jeanne Deak, Martha Jean Crone, Barbara Flick, Lois Gutzwiller, Mildred Sherman, Joy Duerr, Ruth Masko, Linda Manor, Lilyan Devore.

The Michigan Motor Maids met for a dutch treat luncheon on May 27th at the Holiday Inn in Lansing, Michigan. Twelve Motor Maids attended. The Michigan girls welcome two new members, Dolores Malosh of Erie, Mich., and Myra Farrell from Mt. Clemens, Michigan. Barbara Flick dropped in to visit Carrie Penny in Kalamazoo while on a short visit to relatives.

The Minnesota Tri-State Traveletts held their first June meet on June 10th amidst cold wet rain. The girls were confined to the living room at Kathy Anderson's house and Lois Gutzwiller was the recreation director dreaming up parlor games. Fran Norrick was the winner of the games.

LaVonne Price reports that things are pretty wet out Montana way. The sun did come out long enough for the girls to compete in a local field meet. LaVonne won the booby prize - a can of Gunk. LaVonne and Evelyn Straight went for a nice ride of about 150 miles just enjoying the beautiful countryside. Peg Sherman is waiting for a new H-D Sportster. Lois Gutzwiller was out west picking up her cycle which konked out last year on the way home from convention. Lois wasn't able to stay long enough to see any of the Montana girls, but did get a chance to talk to LaVonne on the phone.

The Southern California Motor Maids had their second over-nighter this year. It was the McFarland Run held May 27th and 28th with 254 attending. The Motor Maid's husbands helped them put on a field meet, while the girls prepared the supper. After supper there was an old-fashioned hayride. Saturday was

topped off with a dance. Sunday there were the trophy awards. The June meeting was held at Bellflower, California with the following girls attending: Ivaline Tenney, Sandy Whitnall, Priscilla Hummer, Esther Smith, Lee Marshall, Peggy Rojeski, Phyllis Clark, Jan McCoy, Bea Rathbun, Chris Maeley, Carol Wingfield and Audrey Wingfield.

We wish a speedy recovery to one of our Motor Maids injured recently. Send her a card to cheer her up as she will be confined for a while: Helen Titus, Southern Nevada Memorial Hospital, Las Vegas, Nevada - Room 115 West.

AMA Will Initiate National Point System For Sportsmen Races In 1968

The AMA sportsman race program will take a GIANT STEP FORWARD in 1968 through the initiation of a uniform point scoring system to be applied to all sportsmen events in all classes. These points will be tabulated regularly on high speed IBM accounting equipment as the race reports come into the AMA office. They will be available each month for publication. This will enable the sportsman rider to compete on any level which he desires - he can compete within his own club for high point honors or go on to state, district or national level.

At the present time the AMA keeps points on all professional races and the enduro riders in the sportsman class. This is done for the purpose of advancement and to establish national champions.

Now, in 1968, an estimated 50,000 sportsman riders will be able to compete for national recognition. The point program will reward the riders on a fair and equal basis since the points will have the same meaning in Rhode Island as they will in California.

Many Motor Maids attended and paraded at the opening of the 10 mile national in Columbus, Ohio. This event has always been a must on the annual calendar of the Maids.

American Motorcycle Association Dedicates New Headquarters

On June 24, 1967 the American Motorcycle Association held its formal dedication ceremonies at its new headquarters building at 5655 North High Street in Worthington, Ohio.

Special guest U.S. Representative Samuel L. Devine of the 12th District of Ohio gave a short address and performed the official ribbon cutting.

President of the AMA, William H. Kennedy, gave an official greeting to those who had attended the ceremonies. Also present were many other officials from throughout the country.

William T. Berry, Jr., Executive Director of the AMA, presided over the ceremonies and introduced the officials present. Following the dedication on the

front steps of the building, Mr. Berry invited the guests inside where he presided over the open house and showing of the new offices and facilities.

Staff members of the AMA were present to explain the operation of the high speed business machines necessary to process memberships, as well as act as guides through the new office.

Above: John and Lilyan Devore of Franklin, Ind., are presented a picture by AMA President Kennedy in appreciation of the time and effort they unselfishly devote to AMA work.

year. Referee Berkley Baron and his able assistants kept the show rolling with smooth precision. Both AMA Executive Director Bill Berry and Jules Horky were present as well as Competition Committee members Dud Perkins, Rod Coates, Leonard Andres, Walter Brown and Pete Zepka. Dick Mann and Bart Markel, who are also among this group of men were present out on the track. Many other AMA dignitaries were also present including Secretary Ted Hodgdon. Fritz "Red Hat" Baer worked the PA system with Ray Bolger to do a fast running track side commentary.

The absence of a motorcycle show, a long time favorite of most who traveled to Laconia left a void in the total program. A few manufacturers and distributors took advantage of some miniature hanger type stalls constructed in the parking lot at the Loudon Track. This seemed to lack the color and enchantment of the old Belknap motorcycle display. Despite these changes, the racing program was one of the most complete and exciting ever held in the history of the June contest.
